

PARATROOPERS

Up to 2 of your infantry units in each territory with an air base can be moved to an enemy-controlled territory 3 or fewer spaces away that is being attacked by your land units from adjacent territories and/or by amphibious assault. When moving, paratroopers must obey the same restrictions that air units do. If the territory being attacked has AAA units, the paratrooper infantry units are subject to antiaircraft fire in the same way as air units. If attacking along with land units from adjacent territories, paratroopers may retreat as normal.
